WHAT IS VEX?

THE BASICS:

- 20,000 student teams across the world are tasked with designing and building a robot to compete in an engineering challenge.
- STEM concepts are put to the test as students learn lifelong skills in teamwork, communications, and more.
- Tournaments are held year-round at regional, state, national, and global levels

ABOUT US

STUDENTS

Our team is composed of high school students across Monmouth County's most prestigious schools, including High Tech - the #1 STEM school in the country.

SUCCESS

Success is ingrained in our DNA - we consistently win our regional competitions, and attend the NJ State championships every year. We have also qualified for the World Championships in our second year.

TEAMS

We work and compete as 90819A to design unique and successful robots throughout the season.

OUR GOALS

LIFELONG

Our mission is to grow as individuals, gaining critical 21st century skills including leadership, communication, teamwork, and to succeed in our missions as engineers and students

2020-2021 SEASON

1. Win NJ State Championships
2. Qualify for World Championships
3. Attain an NJ top 3 skills ranking
4. Attain a Worldwide top 100 skills ranking
5. Win Promote Award

LEADERSHIP TEAM

SAI VEDAGIRI
90819 Captain

JOSHUA RAKOVITSKY
90819 Captain

AWARDS

Our members and robots have been lauded with many VEX Awards, including:

- Excellence Award
- Build Award
- Design Award
- Skills Champions
- State Finalists
- Worlds Qualifiers

EXPOSURE

COMPETITIONS

VEX Robotics is an international competition, with over 100 teams and 1000's of families engaged in NJ alone. As a sponsor, you will gain repeated exposure to them as the season progresses.

NETWORK

VEX is an international network of teams - many of which have online presences through social media and websites, including us. As a sponsor, you will feature prominently on all of our digital media and platforms.

SUCCESS

Our success and prominence in competitions means that you will be almost always front at center and in the view of many people
